The Ultimate Destination Wedding Checklist

9-12 Months Before

- Think about the type of wedding you want
  Do you want a formal or informal affair? Big or small and intimate? Also think about the time of year you want it to take place

- Create a budget
  Think about how much money you have now, what you will save in the next few months and anything your parents are contributing

- Choose a destination
  Don’t forget to research its marriage requirements

- Go for a site visit
  If time and budget allows it, this would be a great time to go for a site visit. You can scout venues/resorts in person before making a decision, meet with vendors, do food tastings and hair/makeup trials

- Choose a wedding date
  Avoid holidays, which can make airfare and hotels more expensive. Also keep in mind your destination’s rainy and/or hurricane season.

- Settle on a venue, reserve your wedding date with them and put down a deposit

- Request proposals and photos from resorts and/or venues that interest you
  You can request proposals via the venue’s/resort’s website or by calling the wedding department

- Start a binder to house all your paperwork, ideas and inspiration in one place
  For example, contracts, and magazine pages or print outs of photos that inspire you (flowers, attire, favors, decorations)

- Sit down with your fiancé and compile a guest list
  The rule of thumb is that about 20% of invited guests will not attend a traditional wedding, but this number goes up slightly for a destination wedding.
